Join us in celebration for 2015 National Autism Awareness Month!

In order to highlight the growing need for concern and awareness about autism, the Autism Society has been celebrating National Autism Awareness Month since the 1970s. The United States recognizes April as a special opportunity to educate the public about autism and issues within the autism community.

Join the Autism Society for National Autism Awareness Month this April! National Autism Awareness Month represents an excellent opportunity to promote autism awareness, autism acceptance and to draw attention to the tens of thousands facing an autism diagnosis each year.
